WIDOWS AND ORPHANS PENSION (INCREASE) NOTICE 2015

INTRODUCTION

At the meeting of the Executive Council on 26 May 2015, the Council ADVISED and the Chief Executive ORDERED that -

- (a) the Declaration of Increase in Pensions Notice 2015, at Annex A, should be made under section 4 of the Pensions (Increase) Ordinance (Cap. 305) (P(I)O), to declare a 6.1% increase in any basic pension⁽¹⁾ payable to ex-officers and dependants eligible for pension under the various pension ordinances⁽²⁾ as specified in Schedule 1 to the P(I)O; and

Notes⁽¹⁾ Basic pension means the yearly amount of any pension or other allowance payable by way of periodical payments under any of the ordinances as specified in Schedule 1 to the P(I)O and, where part of such pension or allowance has been commuted, means the yearly amount of the pension or allowance as reduced by the commutation. In case of deferred pension benefits, the proposed pension increase will also be applicable to the commuted pension gratuity in the same manner as a basic pension as regards the period from the date the deferred pension benefits are granted to the date when the commuted pension gratuity is paid.

⁽²⁾ Pensions Ordinance (Cap. 89), Pension Benefits Ordinance (Cap. 99), Pension Benefits (Judicial Officers) Ordinance (Cap. 401), Surviving Spouses' and Children's Pensions Ordinance (Cap. 79), Auxiliary Forces Pay and Allowances Ordinance (Cap. 254), Police Force Ordinance 1932 and Police Officers (Special Cases) Pensions Ordinance 1954.

- (b) the Widows and Orphans Pension (Increase) Notice 2015, at Annex B, should be made under section 3(3) of the Widows and Orphans Pension (Increase) Ordinance (Cap. 205) (WOP(I)O), to specify a 6.1% increase in dependant pensions payable to widows and orphans as defined under the Widows and Orphans Pension Ordinance (Cap. 94),

with effect from 1 April 2015.

JUSTIFICATIONS

Pension Increase Mechanism

2. Civil servants and judicial officers appointed on pensionable terms are granted pension benefits⁽³⁾ on retirement from the service in specified circumstances under the respective pension legislation. The two dependent pension schemes, namely the Surviving Spouses' and Children's Pensions Scheme (SSCPS) and Widows and Orphans Pension Scheme (W&OPS), provide for dependant pension benefits to the surviving spouses and children of officers who were contributors of one of the schemes, on the death of the officers⁽⁴⁾.

3. The Government policy is to increase pensions and dependant pensions annually according to the increase in the Consumer Price Index (A) (CPI(A)) over the specified period should such an increase be registered; and independently of any adjustment in civil service salaries. The objective is to maintain the purchasing power of pensions and dependant pensions. Since 1993, the current mechanism for determining pension increase has been enshrined in the P(I)O and the WOP(I)O. Section 4(1A) to 4(1C) of the P(I)O provides that if in any year, the average monthly CPI(A) of the period of 12 months beginning on 1 April of the previous year and ending on 31 March of the year in

Notes ⁽³⁾ The amount of an officer's pension entitlement is determined at the time he/she leaves the service, and on the basis of his/her highest pensionable emoluments and the length of his/her pensionable service.

⁽⁴⁾ The level of benefits awarded for SSCPS is based on the deceased member's actual length of contributory service and his/her highest pensionable emoluments subject to the minimum benefit provision. The basic pension under W&OPS is calculated with reference to the date of entry to the scheme, rate of contribution, date of marriage and ages of the contributor and his wife.

question exceeds the average monthly CPI(A) of the period of 12 months immediately preceding that period by more than 0.1%, the Chief Executive shall declare a percentage of increase in basic pension equal to the excess expressed as a percentage as soon as practicable by notice in the Gazette, and to specify in the notice the effective date for such an increase. Section 3(2) to 3(5) of the WOP(I)O contains similar provisions for an increase in dependant pensions payable under the W&OPS. Extracts of the relevant sections of the two Ordinances are at Annex C.

The Making of Notices on Pension Increase in 2015

4. The Census and Statistics Department has announced that the average monthly CPI(A) for the period from 1 April 2014 to 31 March 2015, as compared with the average monthly CPI(A) for the previous 12 months, has increased by 6.1%. In accordance with the relevant provisions in the P(I)O and the WOP(I)O, the Chief Executive has made notices in the Gazette to declare and specify a 6.1% increase in pensions and dependant pensions granted under the various pension legislation referred to in the two Ordinances, and has specified in the notices 1 April 2015 as the effective date for the increase. The proposed effective date is in accordance with the usual practice, adopted administratively since 1982, of effecting a pension increase from 1 April of a year. The notices will be published in the Gazette on 5 June 2015. We plan to pay the increased pensions and dependant pensions from June 2015.

THE NOTICES

5. The Declaration of Increase in Pensions Notice 2015 and the Widows and Orphans Pension (Increase) Notice 2015 seek to declare and specify a 6.1% increase in pensions and dependant pensions payable under the relevant Ordinances with effect from 1 April 2015.

IMPLICATIONS OF THE PROPOSAL

7. We estimate that the 6.1% increase in pensions and dependant pensions will result in additional pension payments amounting to about \$1,005 million for around 122 000 pensioners and dependants in 2015-16. We expect that the general reserve set aside in the 2015-16 Estimates would be sufficient to cover the additional expenditure so arising. There are no staffing implications. The proposal is in conformity with the Basic Law, including the provisions concerning human rights. It does not affect the existing binding effect of the P(I)O and the WOP(I)O. It has no family, productivity, environmental or sustainability implications, and also has no significant economic implications. There is no gender issue involved.

PUBLIC CONSULTATION

8. No consultation with pensioners and dependants is required as pension increase in accordance with increase in CPI(A) is a statutory entitlement for pensioners and dependants, and the proposed notices are made in accordance with the relevant statutory provisions as well as established policy and procedures.

PUBLICITY

9. We will publish the notices in the Gazette. All pensioners and relevant dependants, as well as the staff sides of the Central Staff Consultative Councils, will be notified of the pension increase and related arrangements.
