### CRE and Civil Service Recruitment

- (7) The CRE consists of three 45-minute papers, namely Use of English (UE), Use of Chinese (UC) and Aptitude Test (AT), in multiple-choice format. The UE and UC papers assess proficiency in English and Chinese languages respectively whereas the AT paper assesses reasoning abilities. Candidates’ results in the UE and UC papers are classified as Level 2, Level 1 or Fail, with Level 2 being the highest. Results in the AT paper are classified as Pass or Fail. Level 2 and Level 1 results of the two language papers and Pass result of the AT paper are of permanent validity.

- (8) In general, applicants for civil service posts at degree or professional level are required to obtain either Level 2 or Level 1 in the UE and UC papers of the CRE for meeting the language proficiency requirements as stipulated by individual recruiting departments / grades in the relevant recruitment advertisements. Applicants with Level 2 in the UE and UC papers are considered as meeting the general language proficiency requirements of all degree or professional grades. The list of civil service grades which require Level 2 or Level 1 in the two language papers can be found on the CSB webpage.
- (9) Applicants for some of the civil service posts at degree or professional level are also required to obtain a Pass in the AT paper in addition to the requisite results in the UE and UC papers. The list of civil service grades which require a Pass in the AT paper for appointment can be found on the CSB webpage.
- (10) Some civil service grades (e.g. disciplined services grades) offer different entry pay points to recruits according to their academic qualifications. Degree holders without the requisite CRE results may still apply for these posts but will not be eligible for the degree pay point. The list of grades offering different entry pay points according to academic qualifications can be found on the CSB webpage.
- (11) Persons who wish to apply for civil service posts at degree or professional level should first obtain the requisite CRE results unless otherwise specified in the relevant recruitment advertisements. Applicants may choose to attempt all, any one, or any combination of the CRE papers. Applicants are advised to ascertain the requirements of the civil service post(s) in which they are interested and other examination results accepted as equivalent to CRE results before deciding on which paper(s) they should attempt in the coming examination (see notes (15) to (20) below). Any change to the choice of papers is **not** allowed after the application deadline.
- (12) The CRE is held independently of the recruitment process for any civil service post. Persons who wish to apply for civil service posts should apply to the recruiting departments / grades direct. The acquisition of the requisite CRE results does not imply that a candidate has fully met the entry requirements of any civil service post at degree or professional level. Vetting of academic and / or professional qualifications will be carried out by the recruiting departments / grades which may also conduct separate examinations / interviews in addition to the CRE.

### **BLT and Civil Service Recruitment**

- (13) For the purpose of heightening public awareness of the Basic Law (BL) and promoting a culture of learning of the BL in the community, applicants for civil service posts will be assessed on their BL knowledge. The result of the BLT will be one of the considerations to assess the suitability of a candidate.
- (14) The BLT is a 20-minute bilingual paper comprising 15 multiple-choice questions. There is no passing mark set for the BLT and the full mark of the paper is 100. The result of the BLT is of permanent validity. More details about the BLT can be found on the CSB webpage.
