

LEGISLATIVE COUNCIL BRIEF

Pension Benefits Ordinance
(Chapter 99)

PENSION BENEFITS ORDINANCE (ESTABLISHED OFFICES) ORDER

INTRODUCTION

At the meeting of the Executive Council (ExCo) on 5 February 2002, the Council ADVISED and the Chief Executive ORDERED that –

-
- (a) the Pension Benefits Ordinance (Established Offices) Order (the EO Order), at the Annex, should be made under section 2(1) of the Pension Benefits Ordinance, to declare established offices for the purposes of the Pensions Ordinance, the Pension Benefits Ordinance and the Pension Benefits (Judicial Officers) Ordinance; and
 - (b) the Pensions Ordinance and the Pension Benefits Ordinance should be amended as necessary to transfer the power to make EO Orders from the Chief Executive to the Secretary for the Civil Service in future.

BACKGROUND AND ARGUMENT

General Background

2. Offices in the Civil Service are classified into two categories: established offices and non-established offices. Established offices make up the bulk of civil service ranks in directorate, administrative, professional, technical, clerical, middle management and disciplined services while non-established offices are occupied by officers belonging to Model Scale 1 ranks, e.g. Workman II and Supplies Attendant.

3. The pensions legislation provides that the pension factor in computation of pension benefits for an officer confirmed to an established office is higher than that of a non-established office, hence leading to a larger sum of pension benefits for an officer on an established office.

4. Section 2(1) of the Pensions Ordinance and section 2(1) of the Pension Benefits Ordinance provide that “established office” means an office declared to be an established office in an Order made by the Chief Executive under the two Ordinances and published in the Gazette. The Pensions Ordinance (Established Offices) Order 1987 made under section 2(1) of the Pensions Ordinance provides that any established office declared under section 2(1) of the Pension Benefits Ordinance is an established office under the Pensions Ordinance. Section 2(1) of the Pension Benefits (Judicial Officers) Ordinance provides that “established office” under the Ordinance has the same meaning as in the Pension Benefits Ordinance. Therefore an office which has been declared an established office in an EO Order by the Chief Executive under section 2(1) of the Pension Benefits Ordinance and published in the Gazette is an established office for the purpose of the Pensions Ordinance, Pension Benefits Ordinance and Pension Benefits (Judicial Officers) Ordinance.

5. An EO Order may from time to time be amended, added to or revoked by another EO Order so made and published when changes in rank titles, creation of new ranks and deletion of obsolete ranks arise. The EO Orders were made by the former Governors and published in the Gazette. As the exercise of the power to declare established offices was routine and the creation of new ranks was approved by the Finance Committee (FC) of the Legislative Council (LegCo), the then Governor may, under section 3A of the Pension Benefits Ordinance, delegate the power to make EO Orders to the Secretary for the Civil Service (SCS) and a Deputy Secretary for the Civil Service [DS(CS)]. In fact, the DS(CS) had, from time to time, signified the EO Orders and published them in the Gazette. The last EO Order was made in May 1995 and an Amendment Order to announce subsequent changes was made in September 1996. Changes in rank titles, creation of new ranks and deletion of obsolete ranks thereafter will have to be covered in a new Order.

Present Position

6. The EO Orders were made by the former Governors and signified by DS(CS) according to the provisions referred to in paragraph 5 above, without reference to the ExCo. Under Article 56 of the Basic Law, the Chief Executive should consult the ExCo before, amongst other things, making subordinate legislation.

7. The Department of Justice has advised that, under Article 56 of the Basic Law, notwithstanding the delegation of the power to make EO Orders, the ExCo should be consulted before any EO Order is made.

The New Established Offices Order

8. Since the making of the last EO Order in May 1995 and the Amendment Order in September 1996, 27 new ranks have been created (including three shadow ranks for civil servants working in the Vocational Training Council and one shadow rank for civil servants working in the Hospital Authority), 90 ranks have been re-titled (including two shadow ranks for civil servants working in the Hospital Authority) and 78 obsolete ranks have been deleted. The FC of the LegCo has already approved the creation and deletion of these civil service ranks and noted their financial implications in the context of changes to the structure of the relevant civil service grades. The re-titling of civil service ranks has been approved by the FC or SCS as appropriate. All these ranks created and re-titled have to be declared as established offices while the ranks deleted have to be removed from the existing EO Order. The new EO Order at the Annex aims to update the list of established offices by reflecting these changes.

9. The new EO Order has two Schedules. **Schedule 1** includes all established offices in the Civil Service. **Schedule 2** includes all shadow ranks in the Hospital Authority and the Vocational Training Council which accommodate civil servants working in these two organizations.

Legislative Amendment

10. Having regard to the prior approval by the FC of the LegCo on the creation or deletion of civil service ranks, the exercise of the declaration of established offices is an updating and routine procedure. It is considered appropriate that the power to make EO Orders should in future be exercised by SCS. The Department of Justice has advised that the Pensions Ordinance and the Pension Benefits Ordinance should be amended if the power to make such orders is in future to be exercised by SCS without the need to consult the ExCo. Since the Pension Benefits (Judicial Officers) Ordinance defines “established office” to have the same meaning as the Pension Benefits Ordinance, the former would not require amendment.

LEGISLATIVE TIMETABLE

11. The legislative timetable for making the EO Order will be -

Publication in the Gazette	15 February 2002
Tabling at the Legislative Council	20 February 2002

We shall work out with the Department of Justice on the legislative timetable for amending the two pensions legislation to allow the exercise of authority to make EO Order by SCS in due course.

BASIC LAW IMPLICATIONS

12. The Department of Justice advises that the EO Order is consistent with the Basic Law.

HUMAN RIGHTS IMPLICATIONS

13. The Department of Justice advises that the EO Order has no human rights implications.

BINDING EFFECT OF THE ORDER

14. The binding effect of the EO Order is the same as that of the EO Order it replaces.

FINANCIAL AND STAFFING IMPLICATIONS

15. There are no additional financial or staffing implications arising from the making of the EO Order and the transfer of the power of making the EO Order from the Chief Executive to SCS in future.

PUBLIC CONSULTATION

16. Since the making of the EO Order is an updating exercise, we do not consider it necessary to consult the public and the Staff Sides of the Civil Service on this Order.

PUBLICITY

17. The EO Order will be published in the Gazette on 15 February. It is not considered necessary to arrange any publicity on the EO Order.

ENQUIRIES

18. Mr Andrew Lai, Principal Assistant Secretary (Civil Service) Appointments, is responsible for the subject matter. He may be contacted at telephone number 2810 3063.
