

Arrangement for the Reimbursement of Co-payment under the Colon Assessment Public-Private Partnership (PPP) Programme

Eligible persons who participate in the programme may apply for reimbursement of co-payment not exceeding \$2,000 made to the private specialist **upon completion of the service package**. Application for reimbursement should be made to the Director of Health using the reimbursement application FORM B. The reimbursement application form can be downloaded from the Civil Service Bureau website at www.csb.gov.hk. Since the service package is provided by a private specialist, Part A of the reimbursement application form (viz. medical certification by the attending Hospital Authority (HA) doctor) needs not be completed for the purpose of seeking reimbursement of the co-payment. Instead, applicants should provide the following supporting documents together with the **completed Parts B to D** of the reimbursement application form -

- (a) copy of the **enrollment confirmation** issued by HA confirming the applicant's enrollment to the Colon Assessment PPP Programme has been successfully completed; and
- (b) **receipt** issued by the private specialist showing the amount of co-payment made by the applicant.

2. Eligible persons should note that the co-payment (capped at \$2,000 per case) is not reimbursable if the relevant service package is not provided by private specialists participating in the programme. The above reimbursement arrangement is subject to review.
