

**Information on the comparison of the methodologies used in the survey conducted for the Hong Kong General Chamber of Commerce and the pay level survey for the civil service**

Recently, there have been some enquiries requesting the consultant appointed for the Phase Two Consultancy (i.e. Watson Wyatt Hong Kong Limited) to provide information on the comparison of the methodologies used in the survey conducted for the Hong Kong General Chamber of Commerce in 2002/03 and the coming pay level survey to be conducted for the civil service.

2. In response to the above enquiries, the Phase Two Consultant has provided the information at the [Annex](#) for reference.
