

Precaution Measures for Human Swine Influenza

預防人類豬型流感病毒方法

Members of the public should observe the following precautionary measures against human swine influenza:

- Clean hands frequently
- Cover your nose and mouth when you sneeze or cough
- Do not touch your mouth, nose and eyes
- Put on a mask and see a doctor if you have flu symptoms
- Maintain indoor ventilation and keep the home/environment clean

預防人類豬型流感病毒，
市民應採取以下預防措施：

- 經常潔手。
- 打噴嚏或咳嗽時遮掩口鼻。
- 避免觸摸口鼻或眼睛。
- 有流感病徵，應戴上口罩並及早求醫。
- 保持室內空氣流通及家居/環境清潔。
