¹ As set out in CSB Circular No. 2/2013, lifestyle drugs/items are not reimbursable. For example, in many cases, Finasteride Tablets for treating alopecia, or Sildenafil Tablets for treating erectile dysfunction, are lifestyle drugs which are not prescribed for medical necessity, and therefore fall outside the scope of the reimbursement arrangement. However, as stated in footnote 3 of CSB Circular No. 2/2013, if a drug/item listed in this Appendix is prescribed by the attending Hospital Authority doctor for medical necessity, and Department of Health confirms that such is the case, the drug/item would not be regarded as a “lifestyle” drug/item with respect to that prescription and the civil service eligible person concerned may apply for subsequent reimbursement using FORM B. 根據公務員事務局通告第2/2013號, 生活方式藥物/項目並不屬發還醫療費用的物品。舉例來說, 很多時醫生會處方非那甯胺片劑以治療禿頭和昔多芬片劑以治療勃起功能障礙, 在上述情況下有關藥物都屬於生活方式藥物, 而非基於治療需要而處方, 所以不屬發還費用安排的範疇。然而, 公務員事務局通告第2/2013號的註腳3列明, 醫院管理局主診醫生如基於醫療需要而處方本附錄所列的藥物/項目, 並獲衛生署確定屬實, 則該次處方的藥物/項目將不會視為“生活方式”藥物/項目, 有關的公務員及合資格人士可使用表格B申請日後發還費用。
